Re: Atkinson v. Trail et. ano.
7:20-cv-6101

Judge Halpern:

Please accept this letter as the parties joint request for the Court to extend the parties time to file the Joint Pre-Trial Order thirty days from February 7, 2022 to March 7, 2022. This is the parties first request to extend the deadline and the request is made on consent. The reason for the request is that parties are waiting for responses to the subpoenas served on the State of New York and Westchester County District Attorneys' Office.

The Westchester County District Attorneys' Office has an assigned deputy reviewing the file and anticipates a complete response to be sent out in mid to late February. New York Office of Special Investigations has completed its internal review and anticipates mailing a response early to middle of next week.

Therefore, to allow the parties to review the documents and prepare a complete Joint Pre-trial Order, we respectfully request an extension of time to March 7, 2022 to file the Joint Pre-trial Order. Thank you for your time and attention to this matter.

Sincerely,

/s/
